

ASK YOUR SHURTAPE REPRESENTATIVE ABOUT OUR

TAPE HEAD PROGRAM

TAPE HEADS

Shurtape's tape head program may be just right for you. Increase production, decrease downtime, and experience the confidence of using our SP Series Tape Heads with HP Series Carton Sealing Tapes. Shurtape's packaging solutions provide a secure, reliable seal each and every time.

With a signed agreement to purchase our HP machine-length tape, we'll give you a new durable, stainless steel SP tape head. Our SP tape head, with one-touch adjustment, is easy to load, easy to clean, and ready to work.

- > 100% stainless steel construction for use in the toughest wash-down environments.
- > Efficient design for easy installation, simple threading and superior performance - cycle after cycle.
- > Available in high speed models capable of line speeds in excess of 240 feet per minute!

ASK YOUR SHURTAPE REPRESENTATIVE ABOUT OUR

TAPE HEAD PROGRAM

Out of the box and into your case sealer, our tape heads are designed to fit your machine with no modifications required. We offer retrofit solutions that are compatible with virtually all brands including:

- 3M/Combi
- Belcor/Wexxar
- Loveshaw
- Soco
- BestPack
- Interpack
- Signode
- Marq
- Durable
- Bemis

With a signed agreement to purchase our HP Series machine-length tape, we'll give you a new durable, stainless steel SP Series tape head. We offer tape heads in a variety of styles including High Speed, Soft Touch, Horizontal Mounts, Mirror images, and electronic tape sensing. For an additional pallet per type, we will add a spare parts kit to your shipment. Contact your Shurtape sales rep for more information.
